Page 47, line 6, (Finding of FACT 160), DELETE: from "The Commission" through line 8.

INSERT: "The Commission recognizes the extensive work that has been conducted by all of the Parties to this case, as well as the fact that there are potential benefits associated with the implementation of an Underground Conversion Service Area in Hillcrest Bay. As a result, we will require that APS and Verizon work together with all willing Hillcrest Bay property owners to determine whether a mutually beneficial, economically feasible plan to underground the lines in Hillcrest Bay can be created. We will also require that APS and Verizon jointly file a progress report on these efforts no later than July 1, 2009."
